Who is your role model or mentor?

Renowned intuitive healer Sonia Choquette, who not only made my life purpose clear to me, but also showed me how important it was to use my intuitive gifts in all areas of my life and business.

How do you spend your free time?

I love hanging out with family and friends, reading, meditating, and generally allowing my mind to wander so I can come up with the next fun idea for the store.

What is your indulgence?

Rich, chewy, chocolate brownies; long naps; and a whole day free of technology.

Where is your favorite place to go with your girlfriends?

I love to go to the park with my girlfriends and our children ... sans kids, it's a spa day all the way!
